When you're done, Zety's CV builder will mark your CV and tell you exactly how to improve it. 3. What's better in 2022: competency-based CV or a classic chronological CV? Some candidates with unorthodox work histories may consider using a competency-based CV format. SK The competency-based CV (also known as a functional CV or simply a "skills" CV) focuses on the candidate's skills rather than work experience. However, this does not mean that your resume may not reflect your individuality to some extent. The sections on Work Experience and Education are limited to lists of former employers and academic institutions respectively. Although this may seem tempting for some candidates with flaws or gaps in their work history, a competency-based/functional CV format is a risky choice. Instead, highlight what you have to offer.
